

# TICK TALK

**KGA ANNUAL MEETING AND PROGRAM ON TICKS AND TICK-BORNE DISEASES WITH DR. ALVARO TOLEDO OF RUTGERS**

Thursday, May 10, 2018, 7:30 PM

Kingston Firehouse, 8 Heathcote Road, Kingston

Our speaker, Dr. Alvaro Toledo, is an Assistant Professor in the Department of Entomology at Rutgers. His research focuses on Lyme disease, ticks and vector-borne pathogens. The talk is free, and all are welcome.
